

Here is what people are saying:

- “This was the most awesome learning experience in my 30 years of teaching.”
- “Thank you for all the insights - reflecting on our way of life and how to make a difference.”
- “Everyone’s commitment, dedication, energy and obvious passion for this project are outstanding and contagious ... wonderful ambassadors for the planet Earth!”
- “What a magical place the classroom will be! I can’t wait to try to connect kids even more to the environment.”
- “I have never had monarchs in my classroom and now I am excited to start this new amazing classroom activity! I feel fully equipped to start this new hands-on adventure!”
